

Christmas Cross Bookmark or Ornament

Materials needed:

- Kreinik Very Fine #4 Braid in colors 5520, 5505, 5535, 5545
- Trinkets™ perforated paper Fancy Cross
- Tapestry #24 needle
- 4" x 6" piece of Kreinik Treasure Tape™
- 4" x 6" piece of kid leather in your choice of color
- Misc silk or metallic ribbon (optional)

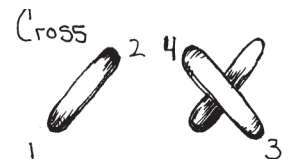

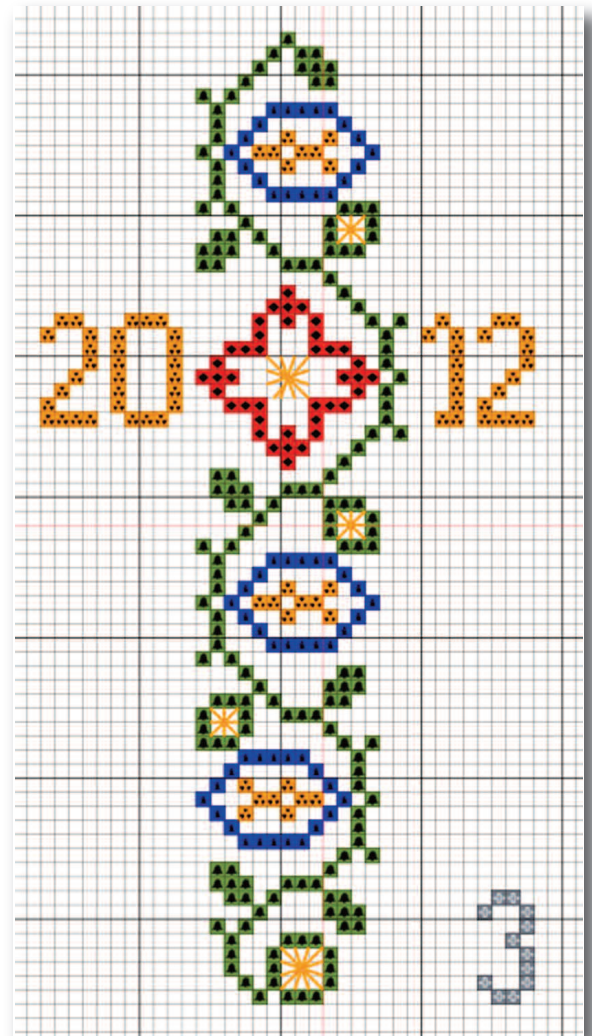

Instructions:

1. Cross stitch this design centered on your perforated paper cross shape. Use one strand of Braid following the color key.
2. The center of the red flower, small green flower, and centers of the leaves are made with Very Fine #4 Braid 5520 Ginger in the Smyrna cross.
3. When stitching is complete, adhere the Treasure Tape sheet to the back of your work. Trim to be even with the edge of the perforated paper shape. Peel off the red liner to expose the top sticky area.
4. Lay your ribbon down the center of the back of your work, pressing into the tape to make sure it adheres and lays flat.
5. Adhere the kid leather, with the shiny side toward the back of your work. Trim the leather, leaving 1/4" around the edge of the perforated paper, so that the shiny leather creates a "frame" for your work.
