

# Halloween Friends

designed by Ursula Michael

On All Hallow Eve in late October, friends delight in bringing playful spirits alive with glow-in-the-dark threads. Start thinking of your Halloween decor or gifts by stitching these quick projects. Stitch these over two threads on 28-count linen, or over one on 16-count black Aida. **Stitch using one strand of Kreinik's Very Fine (#4) Braid or two plies of cotton floss according to the color key. All backstitching is done with one ply of black embroidery floss.**
