Bella Night

A DESIGN BY ELIZABETH ANGUS USING KREINIK SILK BELLA™

Kreinik Silk Bella™ is a relatively new thread designed for stitching on high counts of linen or on fine silk gauze. It's thin size makes for excellent diminutive stitchery, with fine lines and deep color. This design is stitched over two threads on 36-ct Periwinkle Linen from a company called Lakeside Linens. Contact your local needlework store for this fabric.

Materials needed:

- Kreinik Silk Bella™ in 8000 Soft White, 1117 Very Dark Christmas Red, 8075 Dark Grey, 4164 Medium Victorian Green, 7133 Light Brown
- about a 10" x 12" piece of 36-ct Periwinkle Linen

Instructions:

Each square on the chart equals two fabric threads. Stitch this design over two threads according to the color key and main graph. Use Silk Bella™ as it comes, as one strand straight off the reel, for all cross stitches and backstitches.
