

Christmas Square

Use a **pin loom** to weave a colorful square that can be decorated with decals or scrapbooking supplies.

Materials needed:

- Zoom Loom pin loom (makes 4-inch woven squares)
- Any light green worsted-weight yarn
- Kreinik Medium #16 Braid (10-meter spool) in 032 Pearl (or other Christmas color, like 008 Green, 003 Red)
- Kreinik Blending Filament 008 Green or 009 Emerald
- Scrapbooking decoration or decal with a Christmas theme (available from craft stores)
- frame to fit square

Instructions:

- Following manufacturer's instructions that come with the Zoom Loom, begin weaving a square with the light green yarn and Blending Filament: hold one strand of filament together with the yarn as you make your layers. Instead of weaving the final layer in yarn, however, weave with the Medium #16 Braid in 032 Pearl.
- When weaving is completed, glue the scrapbooking embellishment or decal onto the center of the square.
- Frame as desired
