

Kreininik

A free project from www.kreininik.com

reflective dog leash

materials needed:

- Purchased leash
- Medium weight yarn
- Kreininik Reflective Yarn - a standard leash will require about three spools
- Size 7 crochet hook
- Clear monofilament sewing thread and needle

instructions:

1. With the medium weight yarn and the Reflective Yarn held together, chain 4. Join with slip stitch to form a ring.
2. Chain 3. Work two Double Crochet in ring.
3. Chain 3. Turn. Work two Double Crochet in first stitch.
4. Chain 3. Turn. Work two Double Crochet in first stitch. Continue this way until you reach the desired length (measure against your purchased leash as you go along). When length is achieved, tie off, weave in thread ends.
5. Use clear monofilament sewing thread to tack the crocheted piece onto your leash.
