

LOG CABIN *a plastic canvas pin for January*

DESIGNED BY MARY COSGROVE

MATERIALS NEEDED:

Kreinik Heavy (#32) Braid
in 008 Green

Kreinik 1/8" Ribbon in
100 White and 005 Black
DMC Embroidery floss
in 809, 310 and 435

Quick-Count® 10-ct plastic
canvas by Uniek

Fabri-Tac™ Permanent
Adhesive by Beacon™
scissors

plastic canvas needle (No. 18)

Backing material: fabric,
perforated paper or card stock
pinback

INSTRUCTIONS:

1. Cut canvas according to
graphs, and as follows:

Base—18 x 18 holes

Background—16 x 16 holes

Fir Trees—13 x 13 holes

Log Cabin—10 x 8 holes

2. Using three strands of color
809 Delft floss:

Work the background piece com-
pletely in cross stitches. Overcast
the edges with Delft, using 2

stitches per hole. Work the log
cabin in cross stitches in colors
indicated. Add black back stitches
for the door, windows and to
define the front of cabin.

Matching colors, overcast edges,
using 2 stitches/hole — black for
roof, brown very light for chim-
ney and cabin.

3. Work fir trees in Kreinik 1/8"
Ribbon 100 White and Heavy
(#32) Braid in 008 Green in con-
tinental stitches. Overcast edges
of trees with white, using 1
stitch/hole.

4. Holding background piece
like a diamond, tack fir trees to
background, 3/8" from the top
corner with white 1/8" Ribbon,
over existing white continental
stitches.

5. Place log cabin about 5/8"
from bottom corner of back-
ground, over fir trees. Using 3
strands of very light brown DMC
floss, tack log cabin to back-
ground along bottom edge and
left side of cabin and right side of
chimney (through fir trees).

6. Using 3 strands of delft DMC
floss, whipstitch background to
unstitched base, leaving one hole
around all edges.

7. Overcast edges of base with
Kreinik 1/8" Ribbon 005 Black
using 1 stitch/hole.

8. Cut a 3" piece of white 1/8"
Ribbon. Glue with Fabri-Tac™ to
background, below log cabin,
tacking at intervals while
twirling/winding ribbon to make
snowy drifts. Glue backing mat-
erial to back of pin. Glue pinback
to center of backing material.
