

Merry Mini Monogram

A personalized cross stitch ornament or gift tag.

Materials needed:

- Purchased picture frame ornament (we found ours at Michaels, also look at Target, JoAnns, and other craft or discount stores)
- Kreinik Fine #8 Braid in 003 Red
- White 14-count perforated paper (we used Wichelt Imports brand)
- #24 Tapestry needle

Instructions:

Cross stitch the design using one strand of Braid (use it just as it comes, straight off the spool), centered on the perforated paper. Make sure the monogram will fit inside the ornament frame opening; adjust size of letter as needed by adding or subtracting stitches.

When stitching is complete, carefully trim perforated paper to fit in your frame, then insert.
