

Tree in Snow

DESIGNED BY TINK BOORD-DILL

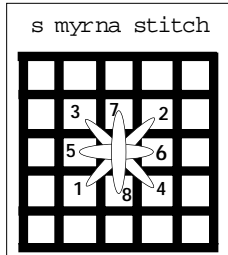

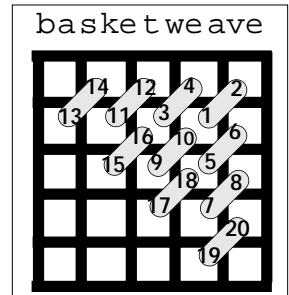

Materials needed:

- Kreinik Silk Mori® in 4163 Light Victorian Green, 4166 Dark Victorian Green, 4167 Very Dark Victorian Green, 5053 Light Slate Blue
- Silk Serica® 4167 Very Dark Victorian Green
- Very Fine (#4) Braid™ 032 Pearl and 002 Gold
- 18-count white mono canvas
- sewing thread and pin back

SNOW ON GROUND:

Thread—Very Fine (#4) Braid 032 Pearl
Stitch—Basketweave Stitch
 These are inside the border at the base of the tree.

STAR AT TOP OF TREE:
Thread—Very Fine (#4) Braid 002 Gold
Stitch—Smyrna Cross

SKY:

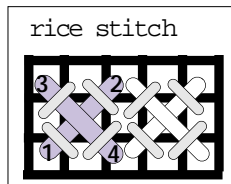

Thread—Silk Mori 5053 (2 strands) Light Slate Blue
Stitch: Basketweave Stitch (not shown on main graph. Fill in around pearl cross stitches as shown in photo)

Instructions (work in this order):

BORDER:

Thread—Silk Serica 4167 Very Dark Victorian Green and Very Fine (#4) Braid in 032 Pearl
Stitch—Rice Stitch

The border is worked in two colors of thread and alternates between 4167 and 032. Each side as 14 Rice Stitches, which are represented as Xs on the main graph. The Xs are in 2 colors in the diagram above right to clearly delineate each individual unit.

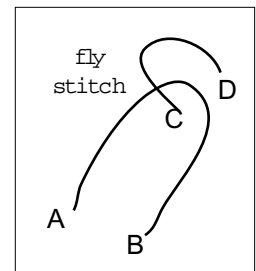

FALLING SNOW:

Thread—Very Fine (#4) Braid 032 Pearl
Stitch—Cross stitch
 These are inside the border and surround the tree.

TREE:

Thread—Silk Mori 4163, 4166, 4167

Stitch—Fly Stitch
 Use 1 strand of each color and double in needle for a total of 6 strands. Use Dark Vs in main chart for placement. Start at top of Tree and work down, tucking lower stitches under upper stitches. Fill in with Straight Stitches as needed.

To finish, trim to within 1/2-inch of design and turn edges back (miter corners), securing with sewing thread. Attach pin back.
