-  033 Royal Blue
-  060 Midnight

Cross stitch the design centered on your fabric using Fine #8 Braid (one strand). Backstitch ON with 033 (one strand).

Come up at 1,
down at 2, up at

Finishing

1. Trim the design to fit into your metal shadow box (do not cut too close to stitching). Fray the edges if desired (use your needle to remove a few threads of Aida from the edge).
2. Using the double-sided tape, adhere design to inside of shadow box (we positioned it slightly to the left, to leave room for the large tree).
3. Using double-sided tape, attach miniature trees in front of stitchery.
