

Praying for Peace Ornament

Pin looms like the Zoom Loom make little squares of fabric. Create some with sparkly Kreinik threads, and easily turn them into lovely ornaments, like this one.

Instructions:

Materials needed:

- Pin loom like the Zoom Loom to weave a 4-inch by 4-inch square
- Kreinik 1/4" Ribbon in 003 Red (at least a 10-meter spool)
- Kreinik Very Fine #4 Braid in color 003 Red
- Two dove mini ornaments (find them in craft stores in the Christmas department or in the bridal craft section)
- Glue
- Polyester stuffing (like pillow stuffing)
- #24 Tapestry needle
- Scrap yarn, ribbon, buttons, etc for bow at the top

1. Weave your 4-inch square on your pin loom or Zoom Loom following manufacturer's directions, using Kreinik 1/4" Ribbon in red. Keep the ribbon flat as you weave, and watch your tension—not too tight!

2. When weaving is complete, turn your square with the front face down, and fold over two opposite ends (see photo). Sew together with the tapestry needle and the Very Fine #4 Braid. Fold over another corner and sew closed (see photo). Add stuffing, then fold over the remaining corner and sew closed.

3. Add your scrap ribbons and/or buttons at the top, sewing it into the woven square to secure.

4. Glue doves to the front of your ornament as desired. Allow to dry thoroughly.
