Design Size: 5.5" x 4.25"

Skill Level: beginner

- Kreinik #12 Braid 003 Red
- white cardstock
- red cardstock
- Treasure Tape™ 1/4" tape
- Treasure Tape™ 1-inch roll
- Diamond Beadlets®
- "Love" stamp (we used Love Without End stamp set by Stampin Up)
- red ink pad
- heart punch (we used one by Stampin Up)
- shallow pan or tray

Instructions:

1. From your red cardstock, punch three heart shapes. Discard the shapes and use the punched pieces for this card.
2. Cut each of these into 1" x 1.5" strips, with the heart-hole centered in each block.
3. Line the back with a piece of the 1-inch Treasure Tape, sticky side up.
4. In your shallow pan or tray, lay the sticky heart openings face up, and pour on Diamond Beadlets®. Swirl beads with your fingers to fully cover the adhesive area.
5. Remove the red liner from the back of each heart square, and stick in a row on

your card, about 2/3 down the front of the card.

6. Lay a piece of 1/4" Treasure Tape across the top of these squares, from card edge to card edge. Remove the red liner and decorate with red Braid, doing curly q's or swirls or any other random effect.

7. When thread decorating is complete, lay the card in your tray again, and cover this strip with Diamond Beadlets®.

8. Using the red ink pad and your "love" stamp, print three "love" images above each heart square.
