Here are some ideas for using your Iron-On Threads:

Kreinik Iron-On Threads are versatile and fun!

They create an elegant, expensive look with no glue, no glitter, and no mess to clean up.

They can be used on an incredible range

of surfaces: fabric, leather, craft felt, wood, polymer clay, altered books, greeting cards, & any paper crafts. Let your creative side run wild!

Use with rubber stamps, stencils, and iron transfers to give your greeting cards more pizzazz.

Creating words and shapes is easy!

You can also dress up simple store-bought items to personalize them or add more detail.
