

Playful Winter Penguin

PENGUIN PLASTIC CANVAS DESIGN BY MARY COSGROVE

You will need:

- 10-count plastic canvas in clear
- Kreinik 1/8" Ribbon in 100HL, 005HL, 006
- Kreinik Heavy (#32) Braid in 027
- Two 7mm wiggly eyes
- Plastic Canvas needle (#18 Tapestry needle)
- scissors, craft glue

Instructions:

1. Cut canvas according to graph, 15 x27 holes.

Stitch the canvas using 1/8" Ribbon or Heavy Braid in continental stitch according to the color key below the graph. When beginning to stitch, leave a small tail or ribbon at back of canvas, and work stitches over tail to secure. When completed, run needle under several stitches at the back of the canvas and trim.

2. Work beak and feet in orange Braid in continental stitch, overcasting matching edges.

3. Work center of penguin with white continental stitches. Work tassel on hat in white continental stitches, overcasting matching edges.

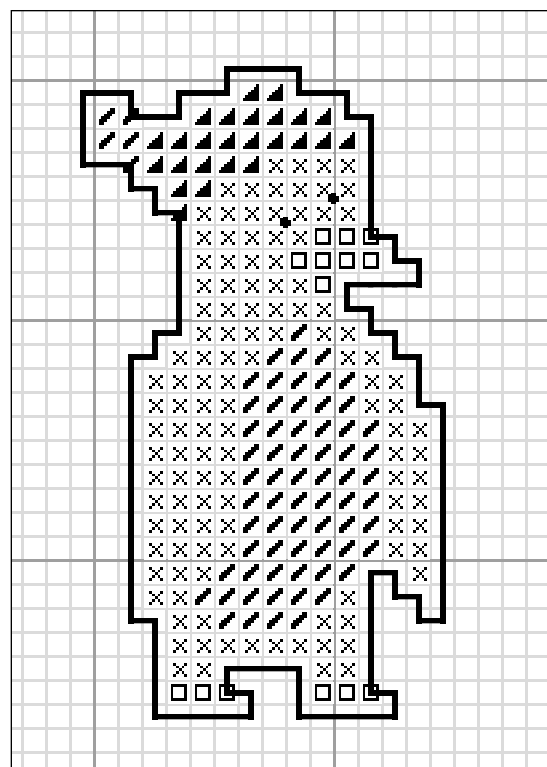

4. Work hat in blue continental stitches, overcasting matching edges.

5. Work rest of penguin in black continental stitches, overcasting matching edges.

6. Glue wiggly eyes to penguin's head as indicated by the small dots.

Glue pinback to the back, or magnetic strip to make a fridge ornament,

or add nylon thread to top for a window or tree trim. Can also be glued to a picture frame, memory book cover, etc.

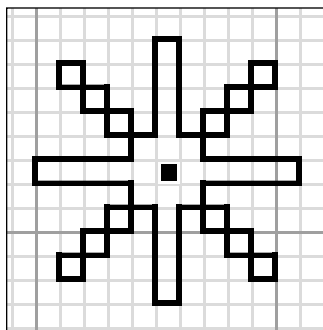

- ▣ 100HL White Hi Lustre 1/8" Ribbon
- ▤ 006 Blue 1/8" Ribbon
- ⊗ 005HL Black Hi Lustre 1/8" Ribbon
- ▣ 027 Orange Heavy (#32) Braid
- glue wiggly eyes here

Bonus! Snowflake accessories:

Cut a piece of 10-count clear plastic canvas (or use 7 count for a larger snowflake) 11 by 11 holes, including center shaded square. Overcast outside and inside edges of snowflake with Kreinik 1/8" Ribbon 100HL White Hi Lustre.

Use nylon thread to hang in window or on a tree for an ornament, or add magnet on back for a fridge magnet. Also good for gluing to a picture frame, book, etc.
