How to read a Kreinik thread label:

- ***Thread Name.*** *Some colors come in more than one size, so check the thread name to see which thread you have.*
- ***Color Number.*** *Our numbers can be just numbers, or include a letter. The letters mean:*
  L = Holographic
  HL = Hi Lustre
  C = Cord
  V = Vintage
  F = Fluorescent
  W = Wired
- ***Amount on the spool.*** *The "M" indicates the thread length in meters, so "10m" means 10 meters, "3m" means 3 meters, etc.*

Colors on this chart may vary from actual fibers. Want to see the true colors? Get the Kreinik Metallic Thread Color Card. It has actual thread swatches.

Blending Filament (thin), round Braids (the higher the number, the thicker the Braid), flat Ribbons in Basic, Hi Lustre (HL), Vintage (V), Glow-in-the-dark (F), Holographic (HL).
