## Instructions:

1. Backstitch this design on your fabric following the main graph and color key.
2. Add a straight stitch with 1/8" ribbon 002L Chromo Gold for the ornament hangers (see photograph for suggested placement). Add a bow with the 1/8" Ribbon 002L.
3. When stitching is complete, trim design to within 1" of stitched area. Trim your 2 1/2" piece of cardboard or Press-on foam ornament shape to a desired triangle shape (ours came out to be about 2 1/4" x 2 1/4"). Lay stitched design centered on the ornament shape (add the quilt batting if desired to puff it up a bit). Lay a piece of Treasure Tape on the back of the ornament (or use glue) and fold fabric to the back to secure. Cover back with piece of felt trimmed to size.
4. Create your cording by using threads in the Make Mine 3-D set and the Kreinik Custom Corder (follow instructions that come with the corder). Attach cording using a thin Blending Filament color or clear monofilament thread. (Cording video also available in the HOW-TO section on [www.kreinik.com](http://www.kreinik.com).)
