

# Enchanted Green Garden

DESIGNED BY JULIA LUCAS

Stitch count: 37w x 36h

## Materials needed:

- 9" x 9" piece of 28-count Evergreen/Dark Teal linen from Wichelt Imports
- Kreinik Silk Mori, one 2.5m skein of each: 2013 Light Gold, 2014 Medium Gold, 3013 Light Coral, 4163 Lt. Victorian Green, 4164 Md. Victorian Green, 5102 Lightest Cerulean, 5104 Md. Cerulean.

## Instructions:

Center and stitch this design over two threads on your 28-count linen. Each square on the chart equals two fabric threads. To prevent French Knots from disappearing, stitch them over one thread of fabric. Do not carry threads behind unstitched areas, as they will show through. Do not use knots to anchor threads. Instead, weave ends securely behind existing work.
