### Instructions:

1. Tent stitch this design over one thread on your silk gauze, using one strand of Silk Mori following the color key.

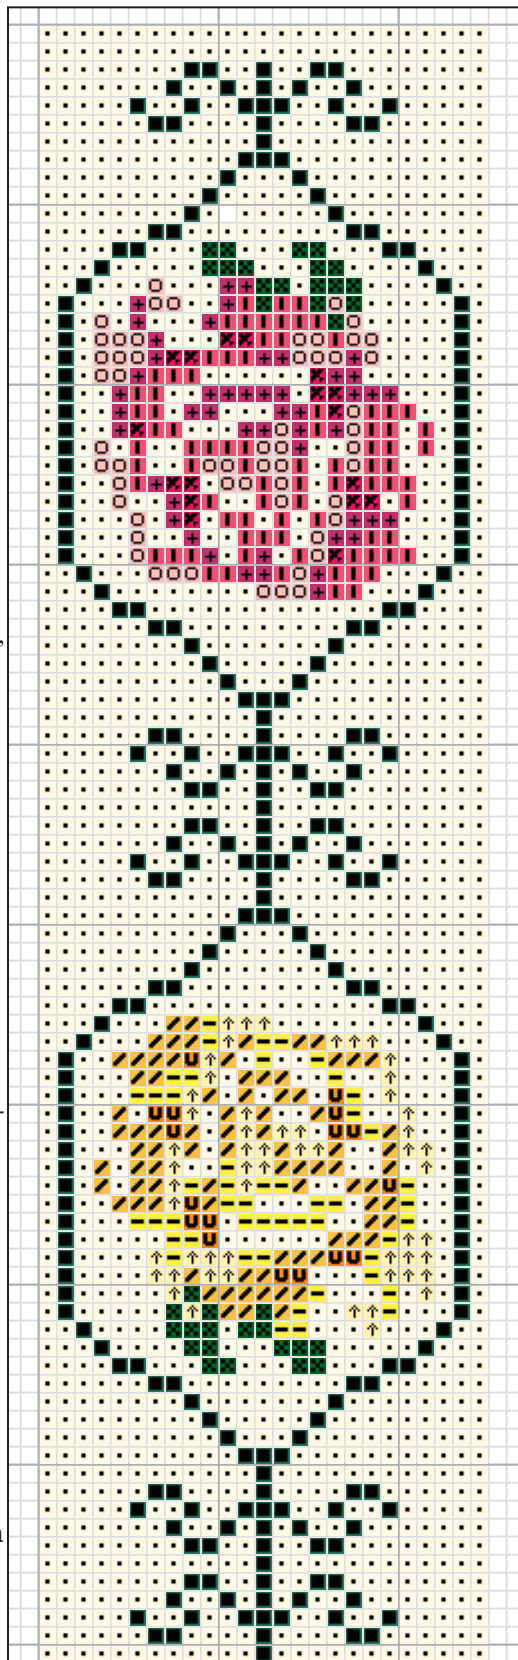

NOTE: For tips on stitching on silk gauze, visit the Education section on [www.kreinik.com](http://www.kreinik.com), search "silk gauze".

2. Fuse interfacing to the back of the stitched piece, following the manufacturer's instructions. Trim stitched piece to within one thread of the stitched area.

3. Make cording using the Kreinik Custom Corder and extra Silk Mori 4167, following the manufacturer's instructions (which are also available in the Education section on [www.kreinik.com](http://www.kreinik.com)). Attach cording to stitched piece using hand-sewing needle and thread or fabric glue.

4. To finish as a bellpull, sew the brass charm onto one end, and mount bellpull in your dollhouse using your desired method.
