

Silk Gauze Game Boards

MINIATURE DESIGNS BY TERRIE LYN NUTTER

Materials for checkers:

- Kreinik Silk Mori® (2.5m) in each: 1116, 8050, 8000
- 4" x 4" piece of 40-count silk gauze from Kreinik
- 12 black seed beads, 12 red seed beads

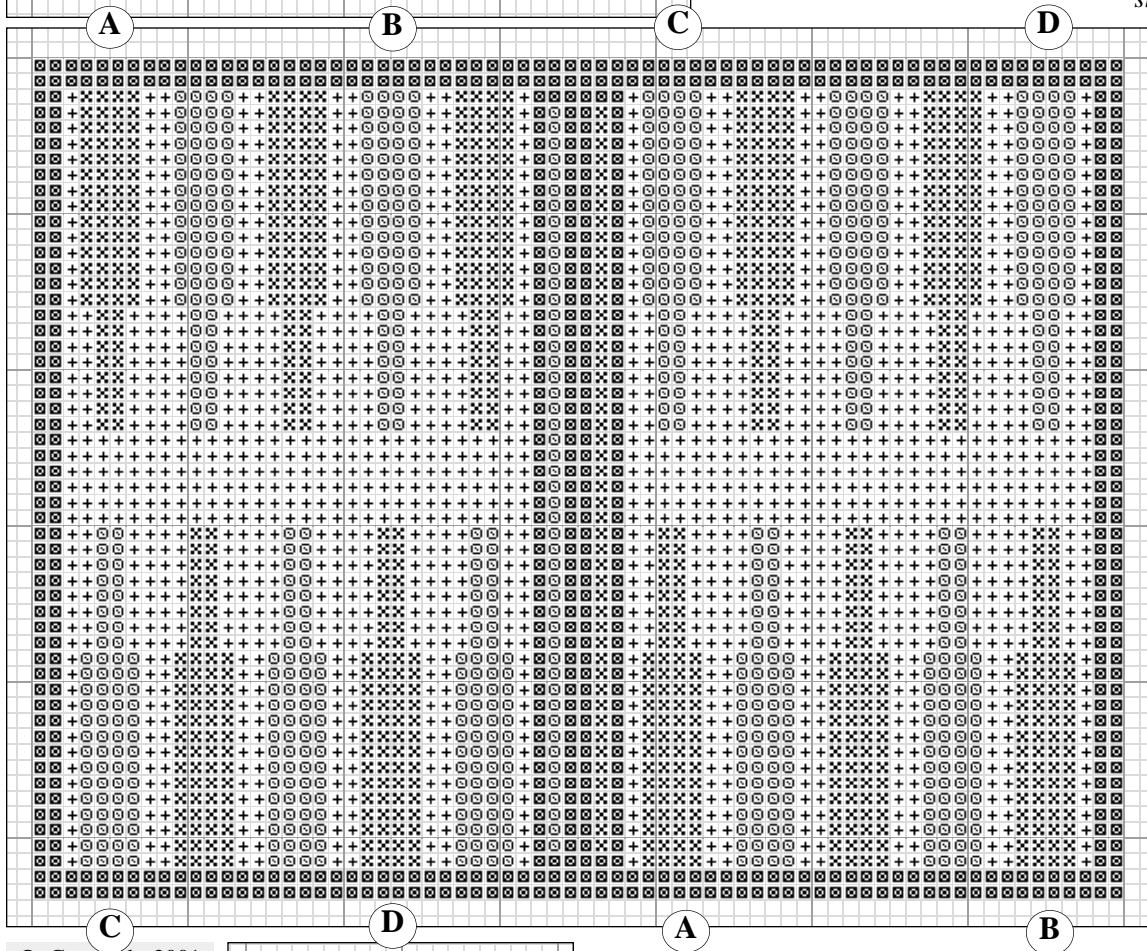

Instructions:

Use one strand of Silk Mori over one thread on the 40-count silk gauze, following the color key. Attach beads with glue as you would in a real game of checkers (all red on one side, all black on the other, every other color block).

Silk Mori color key

-  1116 Dk. Christmas Red
-  8050 Black
-  8000 Soft White

To finish: Trim the design to 1/4", turn edges under and secure. You will need to make a frame for the project out of thin pieces of wood, toothpicks, cardboard, or similar. Use your imagination or tools you have at home. Paint the frame or stain a wood color, then glue stitched piece into the frame.

Backgammon game:

- Kreinik Silk Mori® (2.5m) in each: 4166, 4163, 4167, 7126
- 3.5" x 5" piece of 40-ct silk gauze
- 14 white seed beads, 14 green seed beads

Silk Mori color key

-  4166 Dk V. Green
-  4163 Lt. V. Green
-  4167 Vy. Dk. Green
-  7126 Ecru

Instructions:

Use one strand of Silk Mori over one thread on the 40-ct silk gauze, following the color key. Glue five green beads at point A, two white beads at point B, five white beads at C, two green beads at point

D. Stitch the small chart on an extra part of the silk gauze (it is the cup holding the imaginary dice). Trim to within 1/8" and turn edges to back. Fold the ends of this piece to the back, and glue to top of game board.
