

# Frosted Grapes Ornament

Designed by: Ursula Michael  
Skill Level: Intermediate

Like visions of sugar plums, this ornament will dance on your tree, with the metallic threads reflecting in the Christmas lights. Display it with faux fruit ornaments, and you can create a Victorian-style theme. The design features Kreinik Silk Mori for an instant-heirloom quality, and Kreinik's Gemstone colors of Very Fine (#4) Braid for the frosted look (like beads, without the mess).

## Materials needed:

- Fabric: 28-ct Lugana in New Khaki color, or your favorite 28-count fabric
- Kreinik Very Fine #4 Braid: 3232, 3215, 3223, 3231, 026
- Kreinik Silk Mori (2.5m skeins): 4066, 4206, 6127, 6114
- #24 Tapestry needle

## Instructions:

Cross stitch this design centered on your fabric, over two threads (each square on the chart equals two fabric threads). Use one strand of Kreinik Braid for cross stitches and backstitching according to the color key. Use two strands of Silk Mori for cross stitching, and one strand for backstitching.
