Instructions:

1. Cut canvas according to graphs, and as follows:
BASE: 18 x 18 holes MUSHROOM: 12 x 12 holes
BACKGROUND: 16 x 16 holes LADYBUG: 6 x 7 holes
2. Using six strands of DMC 3818, work the background piece completely in continental stitches. Overcast the edges.
3. Work the mushroom in 1/8" Ribbon 100HL in continental stitches. Using three strands of DMC 3032, add cross stitches as indicated. Matching colors, overcast edges of mushroom with White Hi Lustre, one stitch/hole and 2 stitches/hole of 3032.
4. Holding background piece like a diamond, tack top and bottom edges of the mushroom to the background, 1/2" from the top corner, with White Hi Lustre 1/8" Ribbon.
5. Using Red Heavy Braid in continental stitches and Black Hi Lustre Heavy Braid in cross and back stitches, work ladybug. Matching colors, overcast the edges. Tack the left side of the ladybug to the mushroom and the bottom right side of the ladybug to the background with red Heavy Braid.
6. Using three strands of DMC 3818, whipstitch the background to the unstitched base, leaving one hole around all edges.
7. Overcast edges of base with Kreinik 1/8" ribbon in 021 Copper.
8. Glue five red Whimsy Glass Beads to the top of the mushroom at (•). Glue backing material to back of pin. Glue pinback to center of backing material.
