

# Lion & Lamb Plastic Canvas Pin

DESIGNED BY MARY COSGROVE

## Materials needed:

- QuickCount® 10-count plastic canvas by Uniek
- Kreinik 1/8" ribbon 009, 100, 215C, 9194
- DMC embroidery floss 3821, 3825
- Fabri-Tac™ permanent adhesive by Beacon™
- Whimsy Glass Bead by Wichelt Imports: two turquoise blue (#5013) and two dark crystal green (#5133)
- scissors
- plastic canvas needle #18
- backing material: fabric, perforated paper, card stock, or similar
- pinback

## Instructions:

1. Cut canvas according to graphs, and as follows:

Base: 18 x 18 holes

Background: 16 x 16 holes

Lion: 7 x 12 holes

Lamb: 9 x 7 holes

2. Using 1/8" Ribbon in 9194 Star Green, work the background piece completely in continental stitches. Overcast the edges with Star Green.

3. Work the lion in 1/8" Ribbon 215C Antique Copper in continental stitches and 6 strands of DMC 3821 in cross stitches. Overcast edges of lion with Antique Copper, adding back stitches as indicated to define lion's edges.

4. Work the lamb in 1/8" Ribbon 100 White in continental stitches and 6 strands of DMC 3825 in cross stitches. Overcast edges of lamb with 100 White.

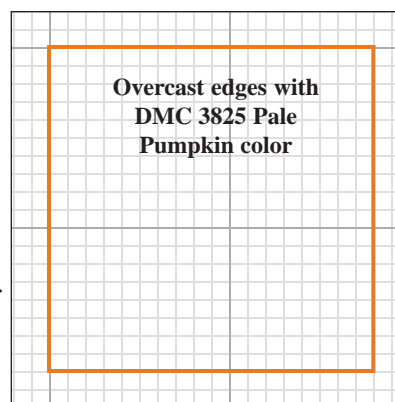

5. Holding background piece like a diamond, tack top and bottom edges of the lion to the left center of the background with 215C Antique Copper. Tack the lamb to the center of the right side of the background with 1/8" Ribbon 100 White slightly overlapping the left side of the lamb on the right side of the lion.

6. Using 1/8" Ribbon 9194 Star Green, whipstitch the background to the unstitched base, leaving one hole around all edges.

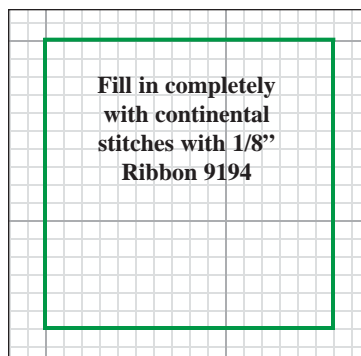

7. Overcast the edges of the base with 6 strands of DMC 3825.

8. Cut a 9-inch piece of 1/8" Ribbon 009 Emerald. Glue with Fabri-Tac™ to the background, below lion and lamb, tacking at intervals while twirling/winding ribbon to make curly 'grass.'

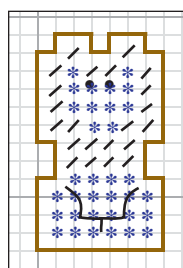

9. Glue two turquoise blue Whimsy Glass Beads to head of the lamb at (••) for eyes. Glue two dark crystal green Whimsy Beads to head of lion at (••) for eyes. Glue backing material to back of pin. Glue pinback to center of backing material.
