

Pin Loom Ornament

Use a **pin loom** to weave a colorful square that can be decorated with decals or scrapbooking supplies. This is an easy project for all ages, including children.

Materials needed:

- Zoom Loom pin loom (makes 4-inch woven squares)
- Any off-white worsted-weight yarn
- Kreinik Canvas #24 Braid (10-meter spool) in 008 Green
- Scrapbooking decoration or decal with a Christmas theme (available from craft stores)
- scraps of thread/yarn for the bow

Instructions:

- Following manufacturer's instructions that come with the Zoom Loom, begin weaving a square with the off-white yarn. Instead of weaving the final layer in yarn, however, weave with the Canvas #24 Braid in 008 Green.
- When weaving is completed, glue the scrapbooking embellishment or decal onto the center of the square. We turned our square on point, to make a diamond-shape ornament.
- Add leftover thread/yarn for the bow/ornament hanger if desired.
