Instructions

Refer to photo as a guide. Turn your iron on to highest setting; allow it to heat thoroughly.

1. Cut papers to size listed under Materials.
2. Score and fold 8 1/2" x 5 1/2" brown card base in half to 4 1/4" x 5 1/2" side fold. Set aside.
3. Ink "With Sympathy" stamp with Artprint brown ink. Stamp image onto centre of 2" x 1" gold pearl text. Adhere to centre of 2 1/8" x 1 1/8" black linen rectangle. Set aside.
4. Create the swirled thread pattern on the 3" square of brown cardstock by folding end of gold iron-on braid over one edge of card stock. Lay Teflon press cloth over top and press with iron for 15 – 30 seconds on high setting. Working from the spool with 1 1/2" – 2" at a time create curls and loops in the same manner. Continue until panel is complete. Finish the braid at opposite side in the same manner as you began.
5. To create the faux tassel, cut a 5" length of gold Iron-on ribbon. Lay thread onto scrap of cardboard. Using a straight pin gently comb through the ribbon to separate the fibres creating a frayed effect. Continue using a straight pin or an old toothbrush until both ends have been frayed approximately 1 1/4".
6. Lay gold ribbon onto 2 1/4" x 2 1/2" black cardstock forming a 1" loop on top. Fan threads out with a pin until desired effect is achieved. Place Teflon press cloth on top, press with an iron as in Step 4.
7. Cut out faux tassel leaving a slight border of black cardstock. Punch 1/16" hole in centre of loop area. Attach gold paper fastener.
8. Adhere the 3 3/8" gold text square to the top portion on card front; centre between top, left and right sides. Follow by layering the 3 1/8" black square and 3" brown swirled thread panel.
